

A New Vision in Patient Care

Introducing Kwick-View™ from MARLEN

Marlen's Kwick-View™ "peek-a-boo" feature is a hybrid solution that allows patients to have the discreet confidence that comes with an opaque pouch along with the quick accessibility and vision that comes with a transparent pouch.

- Check stoma without removing the pouch
- Ideal for post-operative applications
- Available on Marlen UltraExtra™ one-piece disposable drainable systems
- Coming soon on additional Marlen Ultra pouches

The benefits of an opaque pouch...discreet confidence.

The benefits of a transparent pouch...gently pull open to check stoma.
